

Latino Immigrant Workers in The Gulf Coast After Katrina

Winter 2006

Survey

- December to February
- Over 60 workers
- Meetings with 26 advocates, etc.
- UCLA Day Labor Study, media, etc.

Findings

- High hazard Jobs
- Inadequate protection and training
- Living conditions
- Climate of fear

Recommendations

NIEHS Grantees:

- Partner with community-based organizations...churches, unions, activists,schools
- Make sure the information gets to the worker

Outreach and education

- Using the media: radio, TV, Print
- Educación popular: librettas, fotonovelas, teatro jornalero
- Western Union, Wishy Washy, Cell phone companies or Taking it to the workers: hitting the streets,
- Taking it to the advocates, organizers and the 'hood

IMAGINATION

Accountability Enforcement
